All Openers Are Priced with 1 Remote and No Keypad.* Home Depot prices from 2/8/23. See screenshots at doorsdoneright.net/hd

Optional Extras

Additional 3-Button Remote		\$10	Extra Long Rail for Doors Over 8' High (Liftmaster)	\$30
Wireless Keypad		\$40	Extra Long Rail for Doors Over 8' High (Chamberlain)	\$60

*All openers are priced with 1 remote and no keypad. This is regardless of what comes in the box. We do this in good faith to make model comparison simpler and because not everyone needs all of the extra accessories that come with some openers, especially when buying multiple openers. Our prices above are discounted to reflect our "buy-back" of those items. Add additional remotes and keypads a-la-carte from the Optional Extras chart above.
